

## RE Audit

with Christopher J Allen

### A full-day in your school at an agreed date

8.30am – 3pm, In your school

RE could be chosen as a Deep Dive in your school by Ofsted or it will be judged as part of your SIAMS inspection. Having a clear view and understanding of the quality of education RE provides in your school is key to how you confidently articulate your own evaluation to external scrutiny. This one-day package in your school will take a structured and evaluative look at RE. It will allow your RE subject leader to walk through the process of a subject leadership interview, verify monitoring of teaching and learning through lesson visits, work scrutiny and pupil interview and consider your schools next steps in RE. It can also include a review of your curriculum or a check to ensure you are Statement of Entitlement compliant / Norfolk Agreed Syllabus compliant. It will also give you an analytical report to use for developing RE in your school further.
