Training & development 2021 - 2022

- life in all its fullness

John 10.10

Welcome

The Church of England's Vision for Education speaks of 'Educating for Wisdom, Knowledge and Skills'

This holds true for staff and governors too! Pursuit of wisdom is a commitment to a lifetime of learning, personal development, and engagement as deeply as possible in each area of our work. We hope the training, development and support offered here plays a part in developing such wisdom which in turn enables the children in all our schools to flourish and experience life in all its fullness as described by Jesus (John 10:10).

The Children, Youth & Families Team supporting churches and schools.

The Diocese of Norwich Children, Youth & Families Team support schools and churches as they help young people grow in their Christian faith.

Looking for a project that links your school with the local church?

We can provide advice and support around several recognised projects which can be run in and for schools, including:

- **Open the Book** – The major stories of the Bible delivered through short, scripted acts of collective worship led by a team of Christians from local churches.
- **Prayer Spaces in Schools** – A space is creatively transformed to enable children and young people to explore life questions, spirituality, and faith in a safe, interactive, and multisensory way.
- **CAP Money Kids** – A two session course delivered by trained CAP Money Coaches, introducing the foundations of good money management for children aged 9-11 years old.
- **Godly Play** – An imaginative storytelling approach using simple wooden sets to share sacred Bible stories, parables, and liturgical concepts, allowing for children to make their own personal responses.
- **Active RE** – An innovative programme for key stage 1 and 2 which involves children learning about Christian Bible stories and values whilst being active.
- **Inspired Classrooms** – A toolkit giving ideas, lessons, and resources to help build a full cross-curricular day of learning within your local parish church.
- **Chaplaincy** – We are working to help local churches better support schools by developing more formalised links through area chaplaincy teams. Get in touch if this is something that would interest you.
