

Notes

- > The character "x" in a particular row means that the church is entered in the list of churches for which the liability has ceased
- > Where the name of an institution or body is written in a cell in the "Other Notes" column, that institution or body is liable to pay the amount in clause 2b

- > Where the name of more than one institution or body is written in a cell in the "Other Notes" column, with figures by each name, the two institutions or bodies are together liable to pay the amount in clause 2b, with the individual figures in brackets are the amounts specific to each institution or body.
- > Where there is nothing entered in the cells for clauses 2a-d, there was no ROA
