

9th Finance day

Lord of creation,
today at [#COP27](#) finance day,
knowing that where our treasure is our heart is also,
inspire all involved
with a vision for the importance
of putting our resources to good use
to enable both our transition to net-zero and
resilience for the climate vulnerable.

10th Science day

Lord of creation,
today at [#COP27](#) science day,
knowing that in the beginning you created the heavens and the earth,
and have given us minds to explore and study,
bless the work of climate scientists,
and waken us to their warnings
so that we may be good stewards
to our one home.

10th Youth and future generations day

Lord of creation,
today at [#COP27](#) youth & future generations day,
we know you have plans for their welfare,
giving them a future and a hope,
help us hear their voice loud and clear,
and surround with your love those for whom climate change or fear is impacting their
wellbeing.

11th Decarbonisation day

Lord of creation,
today at [#COP27](#) decarbonisation day,
we know your injunction not to pollute and
defile your land,
we hear your longing for us to care for the earth,
we lament our greed that pumps more carbon into the atmosphere,
we turn to you in sorrow
and pledge to change.

12th Adaptation day

Lord of creation,
today at #COP27 adaptation day,
we hear the cry and see the suffering
of so many in drought, flood, heat and storm,
and, in sorrow, we own the reality that we are not on track to deal with climate impacts or
prepared for extreme weather. Lord have mercy.

12th Agriculture and food day

Lord of creation,
today at #COP27 agriculture and food day,
we give thanks for our daily bread,
having sufficient for life,
but knowing that is not true for billions of hungry people.
Guide us to seek to a fair distribution of the resources you give us to share.

13th COP rest day

Lord of creation,
today at #COP27 is a rest day,
so we give thanks for your gift of the sabbath.
Help us to pause,
looking with attentive eyes
and hearing with listening ears,
seeking your original praise,
'it is very good'.

14th Gender day

Lord of creation,
today at #COP27 gender day,
we pray for the women of the world
who bear a disproportionate burden from the adverse impacts of climate change.
May their voices be around the table,
their experiences acknowledged
and their wisdom shared
to make a better world.

14th Water day

Lord of creation,
today at #COP27 water day,
knowing that our souls thirst for you,
we thank you for the gift of water,
and ask that we learn to protect this resource

and find ways to share it
so that all may taste
and be quenched from the well that sustains all life.

15th Civil society day

Lord of creation,
today at [#COP27](#) civil society day,
remind us that you have given all people a common origin,
bless peoples' creativity to organise for good things,
and let justice flow to bring a new dawning of ways that care for our planet.

15th Energy day

Lord of creation,
today at [#COP27](#) energy day,
we are conscious of the fuel used in our lives,
those who can not afford to heat their homes,
& those who search long distances for wood to cook a meal.
Aid us to find a just transition to a renewable and non-carbon energy future.

16th Biodiversity day

Lord of creation,
today at [#COP27](#) biodiversity day,
we recall how Jesus noticed the lilies of the field and the birds of the air,
we thank you for the rich diversity of nature, with its species, habitats and ecosystems.
Guide us to halt the loss and restore the planet we share.

17th Solutions day

Lord of creation,
today at [#COP27](#) solutions day,
we thank you for the blessings seen in Shama El-Sheikh,
but seek one last momentous push
to kindle imagination, desire and urgency
to find new ways to live on your earth, our one home,
as one family seeking climate justice for all.
