

Supporting Schools & Academies

Training & development 2023–2024

Welcome

'Educating for life in all its fullness' sits at the heart of the Church of England's vision for education, a vision that can be readily applied to all schools.

School staff are our most valuable asset so investing in their development to help them flourish makes sense. Working in education so often starts with a call to learn and teach. We hope the training, development and support we offer is pertinent to teachers, subject leaders, senior leaders and governors and enables their successful continuous professional development.

We offer schools and churches access to shared resources through our main resource centre based at Easton, and our satellite sites at Loddon and Gaywood.

Whether you are wanting RE resources, items for reflective corners or a prayer space, or Godly Play sets we may have what you are looking for, including:

- RE artefacts boxes for Christianity, Judaism, Islam, Hinduism, Sikhism, Buddhism.
- Books on world religions, bereavement, Puddles and Freddie stories (Understanding Christianity Accredited), Experience Christmas and Easter resource packs.
- Prayer Space resources including the big stuff like pop up gazebos, floor mats, and beanbags, to sensory items such as fairy lights, holding crosses, and finger labyrinths.
- Godly Play and reflective story sets.
- Outdoor games, gazebos, and inflatable domes.
- Puppets, Christianity in art pictures and much more.

Schools, churches and organisations can register to borrow resources for an annual fee of £25.

More information about the resource centres, the library catalogue, and registration forms are available online at: **www.DofN.org/cyf-resources**

We are also happy to welcome visitors by prior appointment to browse our resources before registering or discuss how we can help direct you to the resources which can best support you.

Looking for a project that links your school with the local church?

We can provide advice and support around several recognised projects which can be run in and for schools, including:

Open the Book – The major stories of the Bible delivered through short, scripted acts of collective worship led by a team of Christians from local churches.

Prayer Spaces in Schools – A space is creatively transformed to enable children and young people to explore life questions, spirituality, and faith in a safe, interactive, and multisensory way.

CAP Money Kids – A two session course delivered by trained CAP Money Coaches, introducing the foundations of good money management for children aged 9-11 years old.

Godly Play – An imaginative storytelling approach using simple wooden sets to share sacred Bible stories, parables, and liturgical concepts, allowing for children to make their own personal responses.

Active RE – An innovative programme for key stage 1 and 2 which involves children learning about Christian Bible stories and values whilst being active.

Inspired Classrooms – A toolkit giving ideas, lessons, and resources to help build a full cross-curricular day of learning within your local parish church.

Chaplaincy – We are working to help local churches better support schools by developing more formalised links through area chaplaincy teams. Get in touch if this is something that would interest you.
