

Why do Christians put a cross in an Easter Garden?

Substantive Knowledge to test:

- The events of Jesus last week on earth (Holy week).
- Palm Sunday was when Jesus entered Jerusalem on a donkey and people called Hosanna to him.
- Easter is a period of time longer than one day.
- Easter is the most important event in the Christian calendar.
- Easter is linked to forgiveness, love and sacrifice.

Disciplinary Knowledge to test:

- ✓ Christians remember Jesus' last week at Easter.
- ✓ Jesus' name means 'He saves'
- ✓ Christians believe Jesus came to show God's love.
- ✓ Christians try to show love to others

Substantive Retrieval Questions:

- What happened at Easter to Jesus?
- What did Jesus do on Palm Sunday?
- What do Christians believe because of Easter?
- Is Easter longer than one day?

Disciplinary Retrieval Questions:

- How did Jesus forgive the people who thought he was bad?
- What do Christians remember at Easter time?
- How did Jesus show people God's love for them?
- How do Christians try to live like Jesus did?

Retrieval Practice Assessment Approaches:

- The three-question approach – choose three questions to ask at the start of each RE lesson, one substantive knowledge about the current enquiry, one disciplinary question from the current enquiry and one random / bonus question of your choice for pupils to answer.
- At the end of the enquiry process in the EVALUATE stage provide a quiz for children to complete using the substantive knowledge questions.
- At the end of the enquiry process in the EXPRESS stage use the disciplinary questions to explore a deeper focus for assessing disciplinary knowledge – this could be used to form the basis of an assessment activity e.g. a debate of how moral laws support Muslims in the modern world vs leading them to be different and radical.

You may assess the outcomes of your pupils in RE against the Early learning Goals of:

- Communication and language development
- Personal, social and emotional development
- Literacy
- Understanding the world
