

Creative Curacy - Dersingham Benefice

West Norfolk

This curacy would offer a breadth of experience to someone who seeks to build solid foundations for their future ministry.

Opportunity:

- A curate who values the importance of God's word in the Bible, preaching in different contexts within the benefice and embracing distinct styles of worship
- A person with a strong passion for being part of the new church plant "The Well", helping to grow the church and its mission through the cafe
- A curate who would encourage and nurture others to come to a living faith in the Lord Jesus, be mission minded and willing to lead or co-lead Alpha Courses
- A person keen to meet to pray with others and lead prayer meetings
- Someone who is committed to be regularly involved with the ministry in our two church schools
- A visible ministry is important in this context, building relationships in villages
- Someone who would share with and offer their own gifts and have fun here

A curate can expect:

- An experienced training incumbent
- An incumbent who is committed to working in partnership offering training methods that enable you to grow and flourish in different aspects of ministry
- A growing and innovative worshipping community
- An effective and supportive ministry leadership team
- Dersingham as the main village with three smaller ones
- Commitment of church members to pray for them
- A beautiful part of Norfolk to live in with lovely countryside and beaches to enjoy

It is a joy to serve the Lord in this place and I invite you to pray whether this is your calling.
