

Development Worker Great Yarmouth

Together Norfolk exists to support the work of local Christians in their community by providing churches with support to develop & deliver social action initiatives. Are you someone who can:

- Help churches to have a greater & more sustainable impact in tackling poverty?
- Extend existing awareness of deprivation & responses of church & community?
- Work collaboratively to develop effective networks?

You will work with clergy, leaders, projects & people to engage & enable churches to make a greater contribution to the social & spiritual transformation of communities.
